

Compact all-in-one box design

- Long-lasting, robust and thus very economical machine.
- Space-saving, comfortable storage of the accessories in the machine itself.
- Can be easily transported with one hand thanks to the low weight (7.5 kg).

Simple operating concept

- Convenient pressure switch for switching the steam cleaner on and off.
- LEDs indicate readiness for use, water shortage and service interval.

VapoHydro function

- Powerful cleaning combination of steam and hot water.
- Dissolved dirt is easily rinsed away.
- Increases the cleaning power on very stubborn dirt.
