* All plastic parts, excluding accessories.

Sustainable and innovative design containing 60% recycled materials

- Produced using fewer raw materials and less energy.
- Using recycled materials reduces CO₂ emissions.
- Innovative, long-lasting, robust and therefore very economical machine.

Low weight

- Effortless, also one-handed transport over ledges and steps.
- Lower weight with identical container volume compared to competitor models.
- Enables long, fatigue-free working.

Plug-in power cord

- Easy mains cable replacement even without prior knowledge.
- Cleaning can be continued without interruption.
- No unnecessary high service costs.
