PRODUCT SPECIFICATION/INFORMATION

Product Data Sheet

BRC 30/15 C

Fast, efficient deep carpet cleaning in a single pass.

The BRC 30/15 C offers simple, convenient deep cleaning of carpets. The machine is designed to be exceptionally easy to use, and provides superb deep cleaning results. Using the spray-extraction method with a rotating brush and high suction power, the BRC 30/15 C deep cleans in a single pass and helps carpets to dry out very quickly.

Features and Benefits:

- Height adjustable, foldaway pull handle makes it easy to use, store and transport
- Water flow stops on release of the detergent button to prevent drenching of carpets
- Removable dirty water tank with built-in handle, for simple emptying of waste water
- Float switch in the waste water tank protects the vacuum motor
- Optional hose and hand tool for spot cleaning and upholstery cleaning
- Fresh water tank with filter prevents debris entering the unit
- Large 10" non-marking tyres for easy transportation
- Simple functions for easy operator training.
