PRODUCT SPECIFICATION/INFORMATION

KM 90/60 R Bp

A battery-powered Ride-on Sweeper for large area cleaning.

The KM 90/60 R Bp is the successor to the popular KM 90/45 R Bp, and is perfect for high performance indoor and outdoor cleaning with its user friendly, easy maintenance design. The machine is exceptionally agile and is very easy and comfortable to use. Ideal for cleaning various floor types including asphalt, pavements, concrete, hard floors and carpet. With an efficient 1.2 kW motor, the machine offers area coverage of up to 5400m² per hour. This machine is ideal for contract cleaners, logistics, car parks, automotive, craft and industry and local councils. The machine has a working width of 900mm as standard (1150mm with the optional second side brush) and a waste capacity of 60 litres.

- Simple and clean emptying of waste containers
- Automatic filter cleaning system
- Comfortable and easy to operate
- Excellent manoeuvrability and visibility
- Easy to maintain, with excellent access to service components
